THE HARVEST IS READY
(LAUTECH Academia Processional Song)

Great LAUTECH is ready
We’re gathered together
The harvest is ready to gather
These colours are shining,
Faculties professing
The champions are marching; keep standing

O see the Spectrum
This is LAUTECH;
The brightest rays
We are the greatest

O SEE THE SPECTRUM

(LAUTECH Anthem)

We sing, Oh LAUTECH
Your promotion of applied sciences
O see the spectrum
And the beaming of the rays of progress,
Students of LAUTECH are the leaders today
We manifest
Great Staff committed
To the training of the total person

Great LAUTECH
Greatest Ladokites
All, we stand for excellence
Great LAUTECH
Greatest Ladokites
Integrity and service
